

MY PLACE testing setup - Android

Instructions for users who have an Android based device using **Google Play** to download apps (often Samsung/Sony/HTC)

1. To receive an invite please access the following URL **on your tablet/phone**:

<https://play.google.com/apps/testing/uk.gov.bathnes.myplace>

2. Select the link to Start testing.
3. You will be notified that you are a tester. Follow the '*download it on Google Play*' link.
4. Click to Install the app.
5. As a registered tester you should receive updates to the app as we release them (through Google Play)
