Residents App testing setup - Android

1. To receive an invite please access the following URL on your tablet/phone:

https://play.google.com/apps/testing/uk.gov.bathnes.myplace

2. You will be notified that you are a tester. Follow the *'download it on Google Play'* link.
3. Click to Install the app.
4. You should then be able to receive updates to the app as we release then in the normal way (through Google Play)
